Manila, Metro Manila, 1004, PH

Fresh graduate with academic and personal experience in JavaScript, React.js, and full-stack development, with internship exposure as a Manual Tester and some UI/UX work using Figma. Passionate about software testing and ensuring reliable, high-quality applications.

Work Experience

UI/UX Designer | QA Analyst Internship   Jan 2024 - Apr 2024
Chimes Consulting | Manila

Gained hands-on experience in manual testing, UI/UX design using Figma, and website maintenance via WordPress, while leading a team of interns and tracking project tasks to ensure progress and quality.

- Utilized Figma to create designs for mobile and web applications
- Conducted manual testing on various websites to ensure quality and functionality
- Maintained and customized website UI through WordPress, adding and updating site details
- Tracked intern tasks and progress, noting statuses as done, in progress, or not done
- Led a group of interns on a project, appointed by the manager
